Live 2 Give Hope's Paving the Way Program is looking for host families for the upcoming 2022 driver training program June 13-24. We rely on dedicated families in the Lebanon area to provide students with a home away from home during this training program.

**Paving the Way** is a program designed for older foster youth ages 15 – 26. The program provides education, resources, and life skills, including home management, financial fundamentals, and driver's education. Live 2 Give Hope primarily serves the 26<sup>th</sup> circuit which includes Laclede, Camden, Miller, Morgan, and Moniteau Counties, but serves clients from other Missouri counties as well.
