

# Live 2 Give Hope

## 2022 Q1 REVIEW

We have been blessed to have generous donors, faithful volunteers & the ability to expand our services to dozens of local families so far in 2022. The 2nd annual Branson H-E-A-R-T Victim to Victim Retreat in March hosted three courageous women on their path to healing from sexual assault.

**In January we hosted a Family Ice Skating event for dozens of foster children.**

**In February we distributed over 200 Valentine's gifts to local foster children, foster parents & social workers.**

We are proud to announce our latest offering: **The Prom Closet** with over 600 prom dresses! After 16 years, Heritage Baptist Church made the difficult decision to close their Prom Closet to make room for their expanding congregation. They have generously donated all of their dresses, shoes & other accessories to Live 2 Give Hope to continue their legacy of making prom magical without spending a fortune. We appreciate their generosity!

## VOLUNTEER APPRECIATION

Live 2 Give Hope is blessed to have big hearted and faithful volunteers to serve hundreds of children in foster care! Executive Director & Founder, Laquita Angst, volunteered over 400 hours in January-March 2022 & is a blessing to Live 2 Give Hope.

## DONOR APPRECIATION

We'd like to highlight a special donor, Faithlyn Black along with her sponsors, Jude's Coffee Company & Fort Wood Hotels by Ehrhardt Properties, who hosted a fundraiser for Live 2 Give Hope in February selling chocolate covered strawberries & cupcakes to benefit the H-E-A-R-T Victim to Victim Retreat. We appreciate your hearts for sexual assault victims.
